it was brought to notice that cheques on the Bank of Mysore or the Imperial Bank of India, Bangalore, would be issued whenever desired to avoid delay and inconvenience by collection cheques issued on State Huzur Treasury through the Banks. It is seen that the advantage referred to in the above circular is not made use of by many of the officers and pre-audit cheques on State Huzur Treasury are still being sent to the Banks for collection. To avoid delay and inconvenience to all concerned the following procedure will be brought into effect from 1st April 1944:—

Payments of bills relating to salaries and allowances of all Gazetted Officers in Bangalore received in this Office for pre-audit will be made by cheques on the Bank of Mysore, unless payment is desired either by cheque on State Huzur Treasury or the Imperial Bank of India, Bangalore. In the latter case a clear remark above the signature of the officer on the bill has to be made to the effect that a cheque on State Huzur Treasury or a cheque on the Imperial Bank of India, Bangalore, is desired. Payment will not be made partly by cheque on the treasury and partly by cheque on the Bank.
